DEC - Gaza Appeal

We at Ratna & Co. Solicitors have been horrified by the humanitarian crisis engulfing Gaza this past month. The conflict between Israel and Gaza has resulted in a massive civilian death toll and a colossal level of destruction on this tiny piece of land in the Middle East. The figures from Gaza are astounding and chilling, over 200,000 internally displaced persons, over 2,000 fatalities, more than 80% civilian and more than 10,000 injured.

After consulting with all members of staff, we at Ratna &

give us a call to become a part of the ever growing Ratna & Co. Family.

Initial Consultations...

We at Ratna & Co. are minded of the current financial climate and therefore are happy to offer our Initial Consultations **Free of Charge**. So give us a call on **020 8470 8818** to book your free, no obligation, initial consultation.

Co. have decided to donate 0.5% of the firm's monthly revenue to the Disaster Emergency Committee – Gaza Crisis Appeal till such a time that a permanent ceasefire is agreed by all parties negotiating in Egypt.

We express our concern and send our condolences for deaths and injuries on both sides in this horrendous conflict. We call on the United Nations to intervene to avoid a further escalation in this already atrocious humanitarian crisis.

Celebrating 25 Years!!

It is the year of our firm's Silver Jubilee and we would like to take this opportunity to thank our clients, the local community, our employees (past and present) for all the hard work, trust, confidence and dedication they have afforded us. We truly are humbled and grateful for your custom and look forward to assisting you in the coming years in any way we can!

Lexcel Accreditation

As many of you may recall, we at Ratna & Co. have been tirelessly working towards Lexcel Accreditation for the past 18 months.

It hasn't been easy, there were a lot of tears, a lot of tantrums and A LOT of late nights, but we are proud to announce that we, as a team, have achieved the Law Society's Practice Management Standard and are now officially a Lexcel Accredited Firm.
